

## SRERS Administration Grandview Children's Centre

---

### **Reminder: Institutional Research Administration Requirements**

The CTO Streamlined System provides a streamlined approach to research ethics review. Each participating site must ensure that all necessary institutional authorizations and contracts/agreements are in place prior to beginning the research.

### **CTO Stream**

#### **Collaborators:**

The following collaborators must be given a role on all Provincial Initial Application (PIA) forms and Centre Initial Application (CIA) forms.

Email: Taryn.Eickmeier@grandviewkids.ca

Role: Institutional Representative

This access is automatically granted when the Centre Initial Application is created. **When Grandview Children's Centre is the Provincial Applicant site the research team should immediately create the CIA for Grandview Children's Centre (right after creating the PIA).** This will ensure that access is automatically granted as required above, otherwise the research team will need to manually add these roles to the PIA prior to submission.
